

## CRDBC COVID Policy for Activities

1. All members should sign-up on Team Snap prior to arriving to the event. We will limit the number of participants in order to provide a safe environment. If you are not signed up, please do not show up.
2. When members arrive, they should check in with the coaches or their designee (masks are required):
  - a. Members will have their temperature checked via a non-contact infrared thermometer.
2. Members will be required to have answered COVID-19 questions, **online, prior to arriving electronically**. This will be done before each practice. **If the questionnaire is not completed, you will not be able to participate. The questions can be found on Team Snap (App).**
3. Members will be asked to wear masks at all times and should only be removed when performing strenuous activity. It is at the discretion of the member whether she wants to keep the mask on during activity.
4. Drummers and Steerspersons will be required to wear a mask or shield.
5. While entering the boats, please keep social distancing guidelines in mind.
6. Equipment: Members should bring their own paddles and PFDs and will be responsible for cleaning them before and after each practice.
7. Increased gear cleaning protocols. Any team/shared equipment (ie. Steering oar, seats, drum, etc.) will be completely wiped down or sprayed before and after each use.
8. Members will adhere to 6-foot distancing on and off the water.
9. Members and coaches who feel sick are asked to stay home.
10. Everyone will be asked to sanitize their hands prior to practice. Please bring your own.
